37

KAAMOS MIRROR

W 160 cm | 62,99" D 6 cm | 2,36" H 160 cm | 62,99"

Materials: Frame glossy walnut root veneer, brass and copper.

The Artici Circle occurs when the sun is below the horizon for a long period. KAAMOS mirror embodies the ambiguity of this natural phenomenon: while in some regions you may experience total darkness, in others you will face a twilight due to the refraction. The glossy walnut root veneer contrasts and intersects with the brass and copper, which are then reflected in the round mirror.

Technical details in page 180

KYAN CONSOLE

W 180 cm | 70,86" D 35 cm | 14" H 75 cm | 29,53"

Materials: Iron with acid reaction. Bronze glass.

KOI CENTER TABLE

W 80 cm | 31,5" D 80 cm | 31,5" H 55 cm | 21,7"

Materials: Matte aged brushed brass with patina. Bronze glass.

KOI carp is a recurring symbol of Japanese culture, highly appreciated by its decorative purposes, not only in water gardens but also in Irezumi practice or, most commonly, in tattoos. Its natural colour mutations reveal their capacity to adapt, just like the set of KOI tables with table tops in glass or marble that you can choose to better fit in your ambiances. The KOI scales from the sides of the tables shine and reflect – on its brass surface – the sun caught throughout the clear water.

APIS DINING TABLE II

W 300 cm / 118.11" D 300 cm / 118.11" H 77 cm / 30.31"

Materials: Table top stained oak with brass details, base aged brass.

The Egyptians said that the bees were the tears of the God RA and in many other civilizations they were adored and considered as Gods. The liquor that they produce was, in many histories and cultures, connected to gold. And now all this royalty of the bees, originally called "APIS" in Latin, was the main inspiration for this wood and brass dining table. The imposing of this table is represented by a top that retraces the torso of big and ancient trees and in a base inspired on the golden beehives, that together result in a piece of nature translated into a piece of furniture.
