CASA DECOR Madrid 2017

BRABBU Joins Moongata Showroom for Moongata Awards 2017

The exclusive Interior Design Showroom Moongata is present at Casa Decor Madrid 2017 and BRABBU is very proud to be able to join at this major event – the biggest event in Spain which celebrates 25 years, and make part of the first edition of the Moongata Awards. Furthermore, Moongata designed the Dyson Clarke Studio for Casa Decor in Madrid and BRABBU are very happy to see some of their pieces in the decoration of the space.

Casa Decor is an exclusive exhibition of interior design, with a unique format in Europe, which takes place every year in a different location in the center of Madrid. For 40 days – **From May 8 to June 18**, the exhibition opens to the public a unique and historic building, which accommodates fifty spaces decorated by the most outstanding interior designers of the moment. Professionals of design, including interior designers, decorators, architects, designers, landscapers and artists, as well companies in the sector, consumption, luxury and high range, have a great opportunity to promote and show their work, giving visibility to their projects and products in a context of luxury, vanguard and high decoration.

For this event, Moongata teamed up with Dyson and created the **Dyson Clarke meeting room**, with a story behind - a fictional character who at 40 is a successful international entrepreneur. The place counts with some of BRABBU pieces - **Malay Armchair** and **Phong Wall Light** and together creates a story told through shapes, textures, colors and materials combined by the latest technology of **Dyson**.
