### BALTIC | RUG

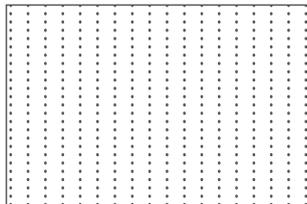

Originally known as Mare Suebicum, the Baltic Sea located in Scandinavia is so called due to the several water types and different blue shades that compose it. BALTIC rug really embodies the essence of the Baltic Sea, having a blue color gradient. This versatile design rug full of attitude is made of hand-tufted 100% Tencel that will really stand out in your home decor. It is a harmonious piece that simultaneously transmits the strength of the sea and the softness of the blue color. BALTIC Rug will bring nature to your interior ambiances in a stylish and comfortable way.
